

Capital Projects Approved in 2024

As of December 2024, some projects are complete, others are in progress, and a few are planned for completion in 2025.

Beaumont Scout Reservation (High Ridge, MO)

- Upgrade the swimming pool including installation of new pumps, controller, and vacuum.
- Convert Emerson Center and Cub World facilities to utilize natural gas.
- Revamp youth shower facilities, including painting, lighting, and upgrading amenities.
- Rectify hydraulic component issues and maintenance needs with tractor.
- Replace nonfunctioning floor cleaning and maintenance equipment.
- Perform necessary repairs on camp truck.

Camp Lewallen (Silva, MO)

- Improve swimming pool functionality, including installation of an automatic acid/chlorine feeder and dissolved oxygen reader.

Rhodes France Scout Reservation (Pana, IL)

- Enhance the swimming pool aesthetics with fresh paint and accessories.
- Upgrade shower house infrastructure, including ceiling, insulation, and heating.
- Install additional insulation in camp trading post.
- Make necessary updates and repairs to the ranger residence.

Pine Ridge Scout Camp (Makanda, IL)

- Apply gravel to camp roads for better accessibility.

S bar F Scout Ranch (Knob Lick, MO)

- Expand aquatics programs, including new lake-use inflatables.
- Conduct maintenance at Leadership Hall, including repairs to septic system and ceiling fans.
- Replace worn cots with new aluminum ones.
- Remedy electric and water issues at Camp Sakima.
- Make necessary updates to ranger and caretaker residences.
- Replace worn three-person, canvas tents with new units.
- Acquire equipment to manage invasive species in Nim's Lake.
- Install security and accessibility enhancements at the front entrance/gate.
- Upgrade Camp Sakima's shower facilities with privacy dividers and roof repairs.

Camp Warren Levis (Godfrey, IL)

- Address deferred maintenance issues at the ranger residence.

General

- Upgrade outdated laptops to ensure compliance with encryption standards and Windows 11 compatibility.
- Conduct maintenance on Ritter Service Center in Cape Girardeau, MO, focusing on siding, soffits, and brickwork.
- Address HVAC system issues at Southern Illinois Service Center in Herrin, IL.
