

GREATER ST. LOUIS AREA SCOUTING

Matching Gifts Program

Make Your Gift Go Farther

Multiply your giving's impact through corporate matching funds. The youth of Greater St. Louis Area Scouting count on your generosity every year - and you can count on the Council to honor your gifts to the fullest. It's a powerful relationship that truly changes lives.

What's more: The gifts you make to the Council every year may be eligible to be matched!

Companies large and small have programs to match dollar for dollar and sometimes even 2:1 - the charitable gifts made by employees, spouses, and sometimes even board members and retirees.
